Follow these steps when contacting us:

Addressing Quality of Goods – Special Rule for Credit Card Purchases

To qualify, you must have tried in good faith to correct the problem with the merchant. Otherwise, the following three details must apply in order to have this protection:

- The purchase must cost more than \$50.
- You must have made the purchase in your home state or within 100 miles of your mailing address.
- You must have a balance left on the charge you are disputing. For example, the good cost \$1000, and you already paid \$700, leaving \$300 left to pay.

2. How do we use your credit information?

We may provide information about your account to consumer reporting agencies. You have the right to dispute the accuracy of information that we report. To do so, take these steps:

4. What does a check payment authorize?

When you pay with a check, you authorize us to do either of the following:

- Use your check information to make a one-time electronic fund transfer from your account. In this scenario, we may withdraw the funds from your account as soon as the same day we receive your payment. You also will not get your check back from your financial institution.
- Process the payment as a check transaction
